IDEAS Home Page

The screenshot shows the IDEAS Home Page. At the top left, the logo 'IDEAS' is displayed in large green letters, with the tagline '... bringing the pieces together' below it. To the right of the logo is a decorative graphic of interlocking puzzle pieces. Below the logo is a dark green navigation menu with white text links: 'Login to IDEAS', 'Login Help', 'Request New Account', 'FAQ', 'Training', 'Feedback', and 'About'. The main content area is titled 'Information Data Exchange and Acquisition System (IDEAS)' and features a 'Login To IDEAS' section. This section contains two input fields: 'Login Name' and 'Password'. A red arrow points from the text 'Enter username & password' to the 'Login Name' field, and another red arrow points to the 'Password' field. A green 'LOGIN' button is positioned to the right of the password field. Below the login fields is the logo for the 'SCHOOL OF MEDICINE UT HEALTH SCIENCE CENTER' and 'DEPARTMENT OF EPIDEMIOLOGY AND BIostatISTICS'. On the right side of the page, there is an 'Announcements' section. A red arrow points from the text 'Check here for IDEAS updates' to this section. The announcements include: 'Daily server maintenance is performed between 2:00 AM and 2:15 AM (CST/CDT). During the maintenance period, IDEAS access will not be available.' and 'The eCOP application has been discontinued. Please refer to the FAQ section for more information.'

Request A New IDEAS Account

Request IDEAS Access

To request a new IDEAS account, send an email to IDEAS support at ideas@uthscsa.edu with the following information:

- Full Name
- Department
- Institution, if it is not UTHSCSA
- Email address (use your UTHSCSA address if you have one)
- Application(s) for which you need access (e.g. NCS Ulina)

Request Password Reset

To reset your IDEAS password, please see our Login Help section.

Using UTHSCSA domain to login

Browser requirements

Mobile Access

Information Data Exchange and Acquisition System (IDEAS)

Frequently Asked Questions

How can I get an eCOP (Certificate of Proposal) account?

The eCOP application has been discontinued. The new process involves filling out a PDF form. You can find the new COP, COP Continuation Page, and COP instructions on OSP's website at http://research.uthscsa.edu/osp/forms_ut.shtml#COP.

Can I login with my UTHSCSA domain account?

If you have a "uthscsa.edu" email address linked to your IDEAS profile, you have the option of logging into IDEAS with your UTHSCSA domain account credentials (the username and password you use to access your UTHSCSA email). This is a new feature only available to IDEAS users that have a "uthscsa.edu" email address set in their IDEAS profile.

If you do not have an email address set on your IDEAS account, choose "Edit Profile" from the IDEAS main menu to set one.

What are the browser requirements?

We recommend **Firefox** for use with IDEAS. Your browser must accept cookies from the IDEAS website. And in most applications, JavaScript must be enabled.

Can I use my iPhone/iPad/Mobile Device with IDEAS?

Yes, but remember both your username and password are case sensitive. If you have autocorrect and/or autocapitalization on, the username or password entered may not be what you expect (autocorrect/autocapitalization could change it). Please double check as you are typing in both your username and password to make sure they are correct.

Also, your browser must accept cookies from the IDEAS website.

How can I avoid the popup message "The page contains both secure and nonsecure items" in Internet Explorer while using IDEAS?

Announcements

Daily server maintenance is performed between 2:00 AM and 2:15 AM (CST/CDT). During the maintenance period, IDEAS access will not be available.

The eCOP application has been discontinued. Please refer to the FAQ section for more information.
